"Remembering"

Read: Hebrew 10:32-36

30 | Mon – Remember Noah? | Read [Genesis 9:8-17](#)

After 150 days, the floodwaters receded and when the ark rested again on dry ground, the first thing Noah did was to build an altar of worship. That was when God made the covenant promise, "Never again will all life be destroyed by the waters of a flood" and God gave us the first rainbow as a symbol of that covenant. Next time you see this beautiful phenomenon, let it remind you how trustworthy our God is.

31 | Tue – Remember Joseph? | Read [Genesis 39:20-23](#)

Betrayed by his brothers, dumped in a pit, then sold as a slave in a foreign country where a false accusation landed him in prison. Joseph had no one, no family, no friends, no legal advocate but "God was with him." Even when no one else remembered him, God did. Little did Joseph know that he was being prepared for a time when he would save his country...literally. No matter what you are going through right now, God is with you.

01 | Wed – Remember the Israelites in Egypt? | Read [Exodus 2:23-25](#)

Joseph save the lives of his family during the famine but their relocation to Egypt would last approximately 400 years and his descendants would become slaves. In their great suffering, they cried out to God and He remembered his covenant promise to Abraham. Sometimes when we suffer, it seems as if God has forgotten us. He has not. How can remembering past answers to prayer encourage you to trust God in the present?

02 | Thu – Remember the Heroes? | Read [Hebrews 11](#)

On Monday, we observed Memorial Day, a time for remembering those who have died. Whether we are honoring those who gave their lives in service to our country or we are remembering someone we love, each person has left us a legacy, an example. Hebrews 11 is called the Bible's Hall of Fame. This chapter is filled with names of famous heroes of faith. How do their stories encourage you to stand strong and never give up?

03 | Fri – Remember the Crucifixion? | Read [Luke 23:35-43](#)

One of the most striking moments during the crucifixion was the change that happened to one criminal crucified beside Jesus. Matthew and Mark wrote that both men initially mocked Jesus along with everyone else. But within six hours, one of them realized that Jesus was no mere man. Acknowledging his own guilt, this criminal asked Jesus to remember him and heard those amazing words, "today you will be with me.."

04 | Sat – Remember Jesus? | Read [Luke 22:13-20, 1 Corinthians 11:23-26](#)

Jesus wants you to remember Him. That is why He gave us the sacrament of communion. Every time you participate in this holy time, you are remembering the One who not only knows your name but loves you beyond comprehension and proved it. How can you not trust the Person who gave up His life because He wants you to live with Him forever?
